January 2013

Dear Parishioner,

You may not be aware that the Council maintains an emergency plan that can be brought into effect in the event of a major emergency. It is not possible to define what such an emergency might be but an example could be a heavy storm such as occurred in 1987. The Council's Plan is regularly updated and I am writing to ask your agreement to assist should you have either skills or facilities that may be needed. The roles fall into two groups namely wardens who could assist generally in the village and those who have equipment or skills that may be needed. I shall be most grateful if you will complete the list of resources overleaf and return it either to the Clerk at Highbank, Hale House Lane, Churt, GU10 2JG or deliver or post it to the Parish Council at the Pavilion, The Recreation Ground, Crossways, Churt, GU10 2JA.

Finally may I thank you for returning the completed form and for your help if ever it is needed.

Yours sincerely,

Simon Fraser

.....
(Chairman of Churt Parish Council)
