

Net Zero for Churt

# Churt News in Nature Autumn 2022

Published by Churt Environment Working Group

See [www.churtzero.org](http://www.churtzero.org) for more news

The central Churt starling flock take a break after murmuration practice

Buzzard and a very active Sparrowhawk. Try to site bird feeders under cover from Sparrowhawk dive attacks.

## Harvest Moon

Called a Sturgeon Moon because sturgeon fish were easier to catch in the Great Lakes when it appeared.

Fungi galore

Synchronised Mallard dabbling on the Moat at Thursley Nature Reserve

False Widow spider and Zebra jumping spider.

[Link to id guide](#)

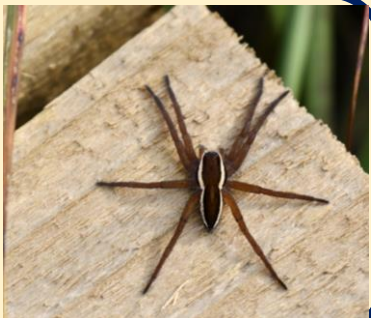

Pale Tussock moth caterpillar in a Churt garden. They used to be a pest of hops.

## Autumn Fruits

...and a Raft spider at Thursley Nature Reserve where reconstruction of the boardwalk is progressing well

## One year on!

What a difference a dry summer can make!
